

# The Inaugural Historical Materialism East Asia Conference - Information Here

August 15, 2021

We think readers of *New Politics* may want to know about (and participate in) the inaugural Historical Materialism East Asia conference (online). It features over 12 panels and promotes critical inquiry on East Asia capitalism, workers and labor movement, ecology, social reproduction, labor migration in East Asia, Chinese capitalism and labor, radical theories and histories. You can see the full program and register here: <https://hmeastasia.org/>
