

Treyf Pesach

Hilton Obinzenger is a poet and a long-time informed critic of Zionism and Israeli policy toward the Palestinians. His new poem, *Treyf Pesach* (Dirty Passover), is a blunt speaking and not unhumorous effort to ask fellow Jews how they can celebrate the slave insurrection in Egypt millennia ago and yet be struck dumb by the Israeli government's dissembling and bloody practices toward "the stranger in our midst" today. You can read Obinzenger's smart, snappy work [here](#), and visit his website [here](#).
